

Kaleidoscope Mentoring Program

You will be meeting for 18 hours over three months. Together, mentors and mentees decide where, when and how you will meet and discuss progress.

Achieve your partnership goals by discussing:

M

Month number

Get to know your mentee/mentor

Set goals for your partnership using the initial assessment and document

Respond to the check-in survey email

Together, review your work and partnership goals from the previous month

With your mentee/mentor, plan your own schedule for meeting in person and/or through video or phone calls
