

KALEIDOSCOPE

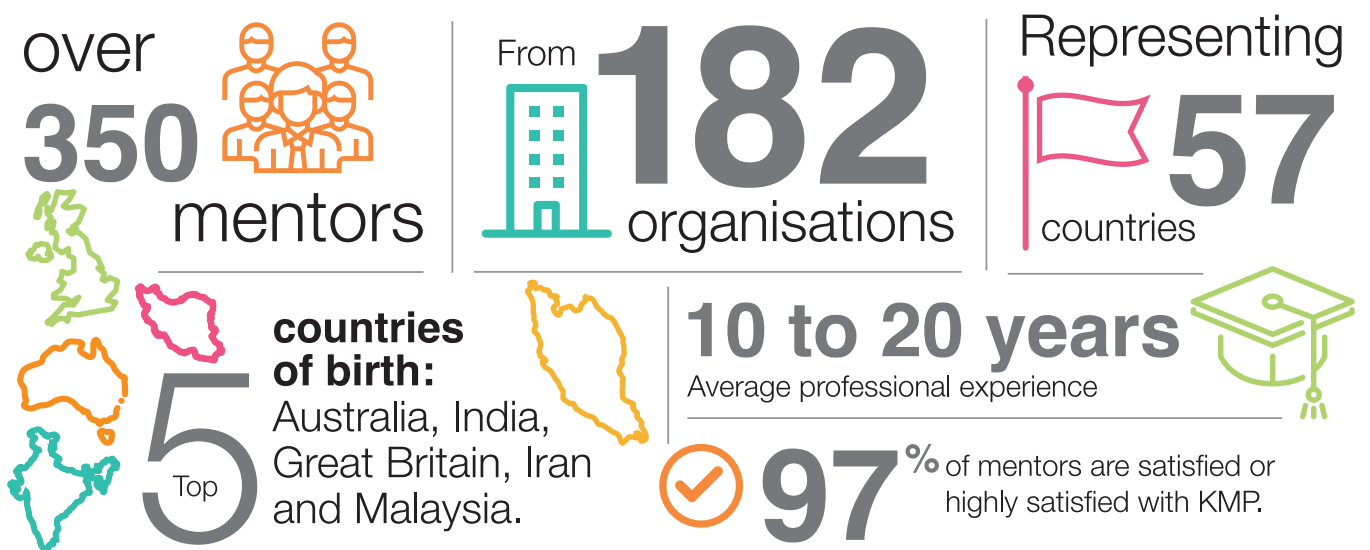

Kaleidoscope Mentoring Program

KMP has been running since 2018 helping skilled newcomer professionals improve their employment potential by matching them with mentors from their industry or occupation. Below are some of the key statistics about mentors and mentees who have joined the program.

KMP Mentees

KMP Mentors

*based on those who responded to the six and twelve months surveys between 2018-2020 after program completion (87% response rate).
